

U-MAXX 900™

Introducing USC's most innovative high capacity seed tender.

Designed for versatility and durability, the U-Maxx 900™ features a 20' articulated, hydraulic discharge conveyor with a 180° swing and an extremely compact design for its large capacity. U-Maxx 900™ offers the maximum 900 unit storage capacity.

Advantages:

- 1125 cu. ft. total storage capacity for large jobs
- Three 300 unit hoppers or six 150 unit hopper configurations available
- Remote control operated for precision placement
- Rollover tarp standard – optional automatic tarp available
- TS2500 Cleated belt load out conveyor
- Air gates
